

Could you be just what we are looking for? We need a new Musical Director with drive, ambition and the ability to keep us winning Gold!!!

Rhapsody are current Sweet Adeline's Region 31 Small Chorus Champions and have been singing together for 8 years. Our current Musical Director's family has increased by one, namely her first grandchild so she has now decided to hand the baton to someone new. We need a person with proven experience in the Barbershop genre (other musical genre will be considered), who is inspiring and motivating with a keen eye for vocal uniformity and artistry. Someone with the energy and commitment to work us hard and who will be able to develop both the musical and performance elements of our chorus. If you have the passion, vision and personality to lead this established chorus please email annawildman@virginmedia.com with a brief statement of why you think you are the right person for us. She will then contact you with further information the next step. Please share this post widely and quickly through our barbershop community as this opportunity is only for a short while.

Rhapsody UK Chorus numbers 32 and meet weekly at Ormiston Bushfield Academy Peterborough each Tuesday evening. More information about us can be found on our website: www.rhapsodychorus.org.uk.
